REACH Compliance Certificate

The EU REACH Regulation (Registration, Evaluation and Authorization of Chemical Substances - EC1907/2006) REACH is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry. It also promotes alternative methods for the hazard assessment of substances in order to reduce the number of tests on animals.

1. FEYDOM does not accept responsibility for any damage resulting from inappropriate material use or cleaning.
2. Test results were gathered from various samples and therefore represent average indicative values.
3. Slight variations in color shades are an acceptable effect of the manufacturing process.
4. Our products satisfy the European Chemicals Directive (EG) no.1907/2006 (REACH) appendix XVII.

Cleaning Instruction:

What you can use:

- Soft brush or vacuum with soft-brush attachment
- Natural soap or any liquid for dish washing
- Clean terry cloth towel or natural sponge (avoid colored towels/sponges)
- Mild Water
- Moist napkins or baby wipes

Never use :

- NEVER use nail polish remover, or anything containing acetone, on your fabric furniture.
- NEVER use any product containing bleach or bleach alternative on your fabric furniture as it may cause discoloration.
- NEVER use carpet cleaning machines or attachments on your fabric furniture, as it may cause the fabric to shrink or wrinkle.
- NEVER dry your fabric furniture with a hair dryer on a hot setting.
- NEVER use fabric softeners.
